# network *perspectives*

introduction to *network analysis in Python* (*NetPy*)

Lovro Šubelj
University of Ljubljana
19th Sep 2019
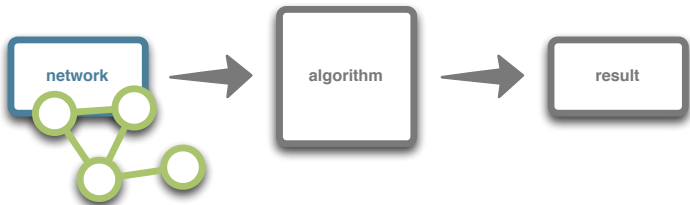

# network analysis
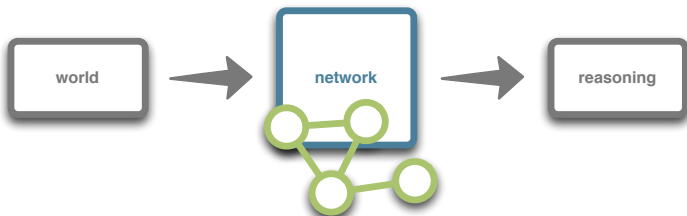

where is *network* in *analysis*?
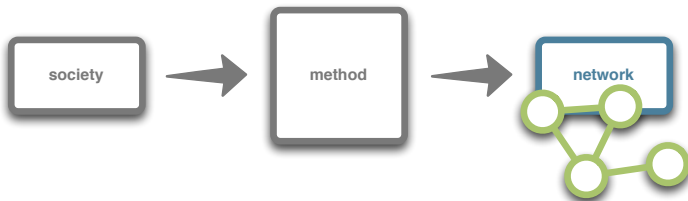

# computer science

network is *input to analysis*

# physics

*network* is *model of analysis*

# social sciences
## *network* is *output* *of analysis*

# graph theory
### *network* *is* *graph*
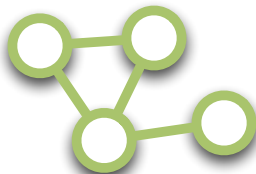

# network science
## *collaboration among disciplines*

# perspectives *references*
